

Low Route VI 5.10 C3+

Angel's Landing

Zion, N.P., UT

Approach: Cross Virgin River near Angel's Landing. Not recommended during periods of high water. Follow brown carsonite markers. Alternate approach involves crossing the Grotto Bridge and then following the hiker's trail for Angel's Landing until it begins to radically climb and switchback away from the river. An indistinct climber's trail will continue straight at first switchback. Trail will drop back down near the river. Allow 2 hours with gear if hiking from Grotto.

Descent: Descend hiker's trail down Angel's Landing to west Rim Trail. 3/4 to 1 1/2 hours to Grotto Bridge tram stop.

RACK:
